Serving as an innovative collaboration hub for architects and designers, we foster creativity and innovation in the industry. Join Harshiil Pethani Studioz in shaping the future of design with our forward-thinking approach and commitment to excellence.

**Job Title:** Draftsman**Location-** Mumbai

**Position Overview** As a Draftsman in Architecture and Interior Design, you'll collaborate with architects and designers to translate design concepts into precise technical drawings. Utilizing CAD software and adhering to industry standards, you'll play a crucial role in developing accurate construction documents and supporting the seamless execution of architectural and interior design projects..

**Job Description**

Join our team as a Draftsman specializing in Architecture and Interior Design, where you'll play a crucial role in translating design concepts into detailed technical drawings. Working closely with architects and designers, you'll contribute to the development and execution of diverse architectural and interior design projects.

**Key Responsibilities**

- ☐ Collaborate with architects and interior designers to develop technical drawings, including plans, elevations, sections, and details.
- ☐ Interpret design concepts and translate them into accurate and precise drawings using industry-standard software and tools.
- ☐ Assist in the preparation of construction documents, ensuring compliance with building codes, regulations, and project requirements.
- ☐ Conduct site visits to gather information and verify dimensions, resolving any discrepancies between design intent and site conditions.
- ☐ Coordinate with consultants, contractors, and suppliers to integrate structural, mechanical, and electrical systems into drawings.
- ☐ Maintain drawing standards and documentation protocols to ensure consistency and clarity across projects.
- ☐ Support project teams by revising and updating drawings based on feedback and revisions throughout the design and construction phases.
- ☐ Assist in the coordination and management of drawing production schedules to meet project deadlines.
- ☐ Stay updated on industry trends, software advancements, and best practices related to architectural and interior design drafting.

**Must Have**

- ☐ Diploma or certification in Drafting, Architecture, Interior Design, or related field.
- ☐ Proficiency in CAD software such as AutoCAD, Revit, or similar.
- ☐ Strong attention to detail and accuracy in drafting technical drawings.
- ☐ Knowledge of building codes, regulations, and construction practices.
- ☐ Excellent communication and collaboration skills, with the ability to work effectively in a team environment.
- ☐ Ability to prioritize tasks and manage multiple projects simultaneously to meet deadlines.
- ☐ Experience in architectural or interior design drafting is preferred.
- ☐ Adaptability and willingness to learn new software and techniques as required by the project.
