Serving as an innovative collaboration hub for architects and designers, we foster creativity and innovation in the industry. Join Harshiil Pethani Studioz in shaping the future of design with our forward-thinking approach and commitment to excellence.

Job Title: Interior Designer

Location- Mumbai

Position Overview The Interior Designer role involves collaborating with interdisciplinary teams to create innovative interior design solutions. From conducting site visits to presenting design proposals, this position requires proficiency in design software, excellent communication skills, and a passion for staying abreast of industry trends.

Job Description

Join our dynamic team as an Interior Designer, where you'll collaborate with architects, engineers, and designers to craft innovative interior design solutions across diverse projects. From conducting site visits to presenting design proposals, you'll play a pivotal role in creating detailed plans and selecting materials that meet client expectations and project constraints.

Key Responsibilities

- ☐ Collaborate with interdisciplinary teams to develop innovative and interior design solutions.
- ☐ Conduct site visits and client consultations to understand project requirements and develop design concepts.
- ☐ Create detailed design plans, including floor plans, elevations, and 3D renderings, using industry-standard software.
- ☐ Select materials, finishes, and furnishings that align with project budgets and timelines while meeting client preferences.
- ☐ Prepare and present design proposals to clients, managing the design process from concept to installation.
- ☐ Coordinate with contractors and suppliers to ensure accurate implementation within project constraints.
- ☐ Stay updated on the latest interior design trends and best practices, incorporating them into design solutions.
- ☐ Attend industry events, network with professionals, and uphold the firm's professional reputation.

Must Have

- ☐ Bachelor's degree in Interior Design or related field.
- ☐ Minimum of 1 year of interior design experience with a portfolio of completed projects.
- ☐ Proficiency in design software such as AutoCAD, SketchUp, and Adobe Creative Suite.
- ☐ Excellent communication, presentation, and interpersonal skills.
- ☐ Ability to work collaboratively with a team and independently.
- ☐ Self-motivated and organized, with the ability to prioritize tasks and meet deadlines.
- ☐ Passion for design and commitment to staying at the forefront of the industry.
